

Gin & Cucumber Cocktail

- 1.5oz gin
- 1.5oz cucumber juice
- 3-4 cucumber slices
*plus more for garnish
(as pictured)*
- 1/4 lime
- 3-4 mint leaves
- 2.5-3oz tonic water
- 1 tsp sugar (optional)

Cut your cucumber slices using a mandolin. For the muddling cucumbers, cut circles; for garnish, cut lengthy slices as pictured. Gently muddle mint leaves, cucumber slices and lime wedge in a shaker. Juice half of a cucumber with a juicer. Add gin, cucumber juice and sugar. Shake nicely and pour over ice. Top with tonic water and garnish with more mint and lime if desired.
