3.1 Advertisement

A Request for Qualifications (RFQ) will be advertised in the Charlotte Observer and the AIA Charlotte website, www.AIA.Charlotte.org and newsletter.

3.2 Notification of Interest / Addenda - A firm requesting the RFQ will be included on the notification of Interest List and will receive any addenda/clarifications.

3.3 Inquiries/Questions and Deadline - Questions regarding this project must be directed via e-mail to the ABC Board Representative for this RFQ prior to the Inquiries and Questions Deadline date and time shown on the cover sheet of this RFQ. To ensure fair consideration for all Consultants and to maintain equal access to information, prospective Consultants shall not contact anyone other than the project manager prior to the award decision. Any attempts to contact other ABC Board representatives may result in disqualification. Any changes or additions to the RFQ information will be emailed to each Consultant who is on the Notification of Interest List. Oral answers will not be authoritative.

3.4 Selection Process

A. **Selection without Interviews**

The SOQs will be evaluated based on the criteria identified in Section 4.0. Selections may be based solely on the SOQs and references.

B. **Selection with Interviews**

The SOQs will be evaluated based on the criteria identified in Section 4.0. If the ABC Board decides to conduct interviews, the firms will be selected to interview based on their SOQ and references. The firms being interviewed will have the opportunity to detail their qualifications, approach to the project, and their ability/expertise to furnish the services required for this project based on prior experience. Interview presentations will be limited to personnel who are slated to be directly and in continuous contact with the ABC Board Project Manager for this project. Final selection will be based on the SOQ, references and the interview.

C. **Notification**

A preferred Consultant and one or more alternates will be selected and notified of their status at the completion of the selection process.

D. **Board Approval and Contract Execution**

The ABC Board's Chief Executive Office's staff will request the ABC Board's authorization to negotiate and execute a contract with the preferred Consultant. If after discussion and negotiation, the parties do not agree on a mutually acceptable fee, the Chief Executive Officer will terminate negotiations with the selected Consultant, and at its sole discretion, enter into negotiations with the alternate firm. The ABC Board reserves the right to withhold the award for any reason, elect not to proceed with any of the respondents, modify the scope of the work, or re-solicit RFQs.

3.5 Team Composition

The ABC Board reserves the right to request a change in the consultant team composition. The request may pertain to a specific member(s) of the consultant team or their sub-consultants. Failure to come to agreement on specific team members may result in the ABC Board electing to exclude the firm from consideration, or if this request occurs during contract negotiations, to terminate negotiations and commence negotiation with the alternate firm.

4.0 **SELECTION CRITERIA**

The selection of a consultant team shall be based on qualifications presented in written and graphic information, interviews (if conducted), past performance, and reference checks. Consultants shall be evaluated using the qualifications, past performance, and expertise of key project team members in projects of a similar nature. Any such work submitted in an RFQ and/or potential interview shall be completely disregarded by the ABC Board per NC General Statute 143-64.31 and may result in disqualification.

- **Past Performance - Proven Similar Experience:** The submitted and presented documentation shall demonstrate direct and personal experience of the members of the A/E Consultant team in the design and construction of similar projects. The Consultant shall submit projects only for work that can be attributed to key members of the A/E Consultant team being proposed for this project. Office or firm experience in similar projects attributed to staff no longer with the firm or staff not being proposed as a key member of the team for this project will not be considered relevant.
