

Holly Jolly Shots

Ingredients:

- 1 cup water
- Two 3 oz. packets cherry Jell-O
- 8 oz. cinnamon whiskey, chilled
- Cool Whip for garnish
- Red Hots for garnish
- Red, green, and white sprinkles for garnish

Bring water to boil in a medium saucepan. Once bubbling, stir in packet of Jell-O mix, stirring until completely dissolved. Turn off heat. Pour in cinnamon whiskey, mixing until thoroughly combined. Pour into a large measuring cup, small pitcher or another glass so it's easier to pour into the shot glasses. Pour the Jell-O mixture into each of the shot glasses. Place the shot glasses into the refrigerator until the Jell-o sets, about 2 hours. Dollop with Cool Whip then sprinkle Red Hots and sprinkles on top.
