

Mistletoe Shots

Ingredients:

- Lime wedge,
for rimming glasses
- Red sanding sugar, for rimming
glasses
- 1 cup water
- 2 (3-oz.) packet lime Jell-O mix
- 8 oz. vodka, chilled
- whipped cream, for garnish
- Mint leaves, for garnish

Run a lime wedge around the rim of each shot glass then dip glass into the red sanding sugar. Bring water to a boil in a medium saucepan. Once bubbling, stir in packet of lime Jell-o mix, stirring until completely dissolved. Turn off heat. Pour in vodka, mixing until thoroughly combined. Pour into a large measuring cup or small pitcher. Pour the lime Jell-o mixture into each of the shot glasses. Place the shot glasses into the refrigerator until the Jell-o sets, about 2 hours. Garnish with whipped cream, mint leaves, and red hot candies. Serve.
