

Patriotic Slush

Ingredients:

- 9 cup ice separated
- 1 cup grenadine
- 1 cup Blue Curacao
- 1 cup vodka
- 1 cup lemonade

Crush mix 3 cups of ice and grenadine syrup together until slushy. Note: You need this layer to be extra thick, so if needed, add up to 1 cup more ice and blend. Repeat the step for the Blue Curacao, blending with 3 cups of ice until slushy. Like the last layer, you want this to be extra thick. If needed, add up to 1 more cup of ice and blend. Blend vodka, lemonade, and remaining 3 cups of ice until slushy.

Prepare drinks by layering the flavors in this order: grenadine, blue curacao, and finish with the vodka lemonade on top.
